Members, Board of Trustees:

## PROPOSED 2024-25 ROOM RATES FOR UNIVERSITY-CONSTRUCTED HOUSING

Recommendation: that the Board of Trustees adopt the attached 2024-25 room rates for university-constructed housing.

Background: The recommended 2024-25 university-constructed housing rates are presented on the following pages. The recommended rates for university-constructed housing are necessary to generate revenue to fund anticipated operating costs.

The housing and dining rates established by the university's private housing and dining partners are also presented on the following pages for informational purposes only.

The 2024-25 rates for all undergraduate residence halls and the University Flats graduate wing generally reflect a 3.75 percent increase for 2024-25. Break housing rates will increase \$4, or 4.3 percent, and early move-in rates will increase 3.5 percent. The 2024-25 proposed rates for university-constructed graduate and apartment housing generally reflect a 2.0 percent increase excluding Greg Page and Shawneetown which reflect no change from the prior year.

All students living in undergraduate residence halls are required to purchase a dining plan, except for students living in University Flats. The dining rates and plans are based on the agreement with the university's dining partner. The 2024-25 dining rates reflect an increase of 3.0 percent.

**DINING**

---

Dining will continue to offer four dining plans – one minimum plan and three optional plans – to students living on-campus during the 2024-25 academic year. These dining plans provide from ten meal servings per week to unlimited meal servings per week. One 150-meal block plan, listed as “150 RA” in the chart below, is available only to Resident Assistants (RA).

Each dining plan also includes ‘Flex Dollars.’ Flex dollars can be used to purchase a-la-carte items at any of the 24 dining locations across campus. Flex dollars may be carried over from the fall to spring semester.
