

Move-In Volunteers Needed!

Aug. 4, 2014

Dear Colleagues,

The beginning of a new school year is almost here. And as students arrive, we are reminded that their success is the primary goal of the University of Kentucky.

Offering a warm welcome to the newest members of our campus family is an important part of fostering their success. Volunteering for Move-In is a wonderful way to aid in our students' transition from home to college.

This year's Move-In is scheduled over four days. Students participating in sorority recruitment and UK band members will move into the residence halls Saturday, Aug. 16. The Living Learning Program participants move in Wednesday, Aug. 20, and the official day when our first-year students move into the residence halls is Friday, Aug. 22. Returning students move back into the halls Saturday, Aug. 23.

Volunteers are needed to help students unload their belongings onto carts, answer questions, and help them successfully transition into the residence halls.

If you are interested in being a part of this wonderful opportunity to make a great first impression for students and their families please visit http://www.uky.edu/Housing/move-in_volunteer/ for more information and register as a volunteer on the [online form](#).

Move-In is another important way the entire campus community can make a difference in our students' lives.

Thank you, and I look forward to seeing you at Move-In 2014!

Eli Capilouto
